Cub scout recruiting with a focus on mentoring Packs

Prepared. For Life.®

February 2022 BSA Breakout session Recruiting

My thoughts

- Appoint a specific ASM and senior scout to focus on the new scouts. New scouts can get lost in the troop or at least feel lost.

- Crossover Webelos are usually ready for Scout rank right away.

- First Class First Year

An active scout can easily reach First Class rank in 10 to 12 months and really should reach First Class within 18 to 20 months.
